About Us

Welcome to Radhe Shyam Agro Overseas – Where Tradition Meets Quality

Radhe Shyam Agro Overseas we believe that the finest meals begin with the finest ingredients. Our journey started with a simple vision: to bring the authentic taste of traditional basmati rice to your table. Rooted in the rich soil of India's most fertile plains, our rice is a testament to the purity of nature and the dedication of our farmers.

Introducing our cutting-edge rice mill plant, powered by advanced PLC control systems, designed to revolutionize the rice processing industry. This futuristic facility boasts:

Automated sorting and grading systems for precise quality control- High-efficiency milling and polishing processes for superior yield- Advanced moisture control and drying systems for optimal rice preservation- Real-time monitoring and data analytics for optimized production- Integrated packaging and bagging systems for streamlined output- Robust safety features and emergency shutdown protocols for ensured operator safety

Our state-of-the-art rice mill plant with PLC control sets a new standard for efficiency, quality, and innovation in rice processing.”
